Diverter concealed

Rough part and trim set

THE-BATH-SHOP.COM

Version 18.01.2017

A	28420	Rough part for concealed diverter
B	28425.03.19	Trim set for diverter Blank (no inscription) Chrome
	28425.01.19	Trim set for diverter Blank (no inscription) Polished Nickel

The 2-way diverter is used together with two valves for cold and warm water.The desired temperature is traditionally regulated by these valves.

Wall showers and hand showers are found on the corresponding pages.

The rough part and trim set are to be ordered separately.

Feeds: 1/2"
